

Digital twin for every manufacturing SME!

Change2Twin is a European project which supports manufacturing SMEs in their digitalisation process by providing Digital Twin solutions. The concept of digital twin is one of the big game-changers in manufacturing and allows companies to significantly increase their global competitiveness.

Innovation made by Change2Twin

- **Easy access to digital twin:** funding, guidance, testing, deployment
- **4 open calls:** Assessment and Deployment Vouchers to fund manufacturing SMEs.
- **Change2Twin Marketplace:** a one stop shop for digital twinning solutions.
- **4 experiments** with different manufacturers.
- **Change2Twin Community:** a virtual space for digital twinning enthusiasts.

Get funded by

CHANGE2TWIN

Deployment Voucher is a **financial instrument** offered by Change2Twin to **manufacturing SMEs** to **improve their digitalization level** and to **deploy a digital twin**. It is a **non-refundable grant** provided on competitive basis and amounting **up to €90.000**.

The **Assessment Voucher** covers the costs of an in-depth analysis of the company's digitalization level and its **readiness for the adoption of a digital twin**. At the end the company receives **three recipes** for creating and deploying a digital twin. The assessment scheme is **carried out by certified Digital Innovation Hubs**.

Final Deployment Voucher Open Call!

Apply before 16 April 2023
